Re: Supplemental Filing to the Application for Country Road Communications LLC and
Otelco Inc. for Authority to Transfer Control of Domestic and International 214
Authorizations; **WC Docket No. 08-169**

Dear Ms. Dortch:

The parties to the above-referenced Application file this supplement to clarify the amount of retail local and IXC service lines served by CRC Communications of Maine, Inc. ("CRC"). There was an inadvertent mistake made in the Application. CRC is reported to have 5,565 service lines on page 5 of the Application and then 5,656 service lines on page 14 of the Application. 5,656 is the correct number. We apologize for any confusion this mistake may have caused.

Please contact me directly if you have any questions regarding this filing at (612) 492-6538.

Respectfully submitted,

Karly Baraga
